

José Luis Mateos
Pimentón

Since 1946

David de Jorge

Paprika factory located in Cuacos de Yuste

In the heart of La Vera. Where the best smoked paprika in the world is born and made.

The history of Jose Luis Mateos SL begins in 1946, when the Mateos family began its journey specializing in the production of paprika from La Vera.

Currently, the third generation of the Mateos family is present in the company, always seeking to maintain the legacy that has given so much joy within the sector.

Quality certificates

Alimentos de Extremadura:

Extremadura is well known for its water reserves and natural diversity, which make it a unique region in Europe. This combined with the forefront and technology of companies that are committed to food safety, gives rise to safe, healthy and wholesome products.

International Food Standard (IFS):

A food safety standard with a constant evaluation system used by manufacturers and distributors to respond to a demand for quality, transparency and efficiency. The regulation establishes standards that ensure that certified companies meet the needs of safety, quality and continuous improvement of their processes.

Halal Food Quality:

Certification that allows to establish the Halal conformity of the products. It guarantees that which is permissible and lawful, wholesome and ethical in accordance with Islamic requirements. Allows export to any Muslim country.

BCR Global Standard for Food Safety:

A food safety standard for food manufacturers or processors. It is considered an international benchmark for the certification of suppliers of products and brands in supermarkets (on a large scale). Its objective is the commitment to the implementation of control systems and continuous improvement that allow the identification of any danger against the quality and safety of food.

La Vera Protected Designation of Origin Pimentón de la Vera P.D.O:

Recognized quality mark that allows the provision of an authentic product to consumers, with a guarantee of origin and traditional production, and the endorsement of the certification accredited by ENAC. Paprika from La Vera P.D.O is distinguished by its characteristic aroma, flavor and stability.

Kosher certification:

International certification of those foods that comply with Jewish Law. It guarantees consumers that the preparation of the products and ingredients they contain comply with the Kosher food policy.
